

## ELECTRONIC GIFT GREETING

### ABSTRACT OF THE DISCLOSURE

According to the invention, a method for creating an electronic greeting card enclosing an electronic gift is disclosed. In one step, the electronic greeting card selection is received from a sender along with a selection of at least one of a type of electronic gift, an amount for the electronic gift, and an identifier for a receiver of the electronic gift. Payment for the electronic gift is received from a money handler chosen by the sender. A code indicative of the electronic gift is received, whereby the code facilitates redemption of the electronic gift. The code is embedded in the electronic greeting card.
